US Department of Justice
950 Pennsylvania Avenue, NW
Washington, DC 20530-0001

Dear Mr. Ashcroft,

My name is Inez Jensen. I am a resident of St. James, Missouri. I am writing to ask that the Justice Department implement the settlement recently reached with Microsoft.

Under this settlement, Microsoft has agreed not to enter into any agreement that requires a company to distribute Windows exclusively. Microsoft has also agreed to license its Windows systems to computer makers on the basis of a uniform pricing list. I applaud Microsoft for these concessions.

I know that this has been a difficult case for you, especially since it was not one of your making. Please take this opportunity to resolve the case on what I consider to be very fair and equitable terms.

Thank you for your consideration and attention.

Sincerely,

Inez Jensen
